DETAILED ACTION

Claims

1. Claim 1 is amended. Claims 2-14 are canceled.

Allowable Subject Matter

Claim 1 is allowed.

The following is an examiner's statement of reasons for allowance:

As to claim 1, Applicant added substantial structural limitations which overcome the previously applied prior art. Applicant's arguments filed 26 July 2004 are persuasive, and additional prior art with motivation to combine was not found to overcome all the newly added claim limitations.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
